MS19: Project web-platform up and running on project's actors languages

NEFERTITI

Networking European Farms to Enhance Cross Fertilisation and Innovation Uptake
through Demonstration

MS19: Project web-platform up and running on project's actors languages

Document Summary

Deliverable Title: **Project web-platform up and running on project's actors languages**

Version: 1

Deliverable Lead: **NAAS**

Related Work package: **WP7**

Author(s): **Dimitar Vanev, Milena Nalbantova, Milica Trajković**

Contributor(s): xxx

Communication level:

- **CO Confidential, only for members of the consortium (including the Commission Services)**

Project Number: 7727053

Grant Agreement Number: **7727053**

Programme: **NEFERTITI**

Start date of Project: **January, 1, 2018**

Duration: **4 years**

Project coordinator: **Adrien Guichaoua**

Abstract

NEFERTITI Programme promotes the creation of interactive thematic networks related to the agriculture sector to promote knowledge, learning and the adoption of innovative techniques through the exchange of information between different actors and live demonstrations..

Means of verification

NEFERTITI website (<https://nefertiti-h2020.eu>) was developed based on description in the project DoA and the requirements and suggestions presented during skype meetings and project annual meeting (June 2018)

The website is with open access and it is available in English and in all partners' languages and can be reached via this [link](#).

The website is running and is operational in all partners' languages. On the website key information is uploaded about the project. On the website the following can be found:

- General information about the project (Project objectives; Working packages and deliverables; Consortium members, Advisory board);
- Networks description (4 sections for every Networks type - Animal production, Arable crops; Horticulture; Farm attractiveness);
- Practical abstracts for NEFERTITI project activities and results;
- Useful links related to NEFERTITI project;
- Information for projects related to NEFERTITI project;
- Calendar of events;
- News for NEFERTITI project;
- Videos;
- Link to Demonstration platform.

NEFERTITI

Networking European Farms to Enhance Cross Fertilisation and Innovation Uptake through Demonstration

MS19: Project web-platform up and running on project's actors languages

Access is given to the coordinator and communication officers to upload events and news related to the project on the partners' languages.

The screenshot displays the NEFERTITI web platform interface. At the top, a green navigation bar contains the project logo and menu items: Home, Demo-Farmer, Innovation actor, Search, and Events. A 'Language' dropdown menu is visible in the top right corner. The main content area is titled 'Events' and features a calendar for December 2018. The calendar is currently set to 'month' view and shows a grid of dates from Monday to Sunday. The dates are: 26, 27, 28, 29, 30, 1, 2; 3, 4, 5, 6, 7, 8, 9; 10, 11, 12, 13, 14, 15, 16; 17, 18, 19, 20, 21, 22, 23; 24, 25, 26, 27, 28, 29, 30; 31, 1, 2, 3, 4, 5, 6. To the right of the calendar, a language selection dropdown menu is open, listing 14 languages with their respective national flags: Bulgarian, Croatian, Dutch, English, Finnish, French, German, Greek, Hungarian, Italian, Polish, Portuguese, Serbian, and Spanish.
